

Photo Release Permission Form – Galaxy Arts Activities

Dear Parents/Guardians,

Throughout the year, **Galaxy, the Arts in Education Program of Central Intermediate Unit 10** (CIU 10), works in cooperation with your school district to bring professional artists of music, dance, drama and the visual and literary arts into schools to engage students in exciting arts experiences that enhance learning. Some of these learning experiences are particularly exciting and worthy of sharing with others. To that end, these activities, and the students participating in them, are sometimes captured in photographs to be used as documentation and in presentations, promotional/public relations materials, and occasionally on the Galaxy/CIU 10 website (www.ciu10.org/programs/galaxy/).

PLEASE NOTE THAT, as an education service agency that works with your school district, student safety is always our utmost concern and **we never identify students by name.**

We would like your permission to include your child in photographs related to Galaxy/CIU 10 arts activities as conducted in cooperation with your school.

Please complete A. and B. below and return this form to your child's classroom teacher.

Please return by: _____.

A. Please check ONE of the following 2 choices:

1. ___ I grant permission for a photograph that includes an image of my child to be used as mentioned above. The school will NOT be named and my child will NOT be identified by name.
2. ___ I do not grant permission for a photograph that includes an image of my child to be used as mentioned above.
